**IOWA COMMUNICATIONS NETWORK
JOB OPENING ANNOUNCEMENT**

POSITION: Cyber Intern
LOCATION: Des Moines, Iowa
WORK UNIT: Iowa Communications Network; Cyber Bureau

DESCRIPTION:

The Cyber Bureau of the Iowa Communications Network (ICN) would like to sponsor two paid internships for "Cyber Intern." To be eligible, applicants must be currently enrolled in cyber security program or IT program which includes cyber security course studies in Iowa, and will be involved in the following assignments:

- Assist in development of security policies, processes, and initiatives.
- Participate in deployment of technical security solutions from conception.
- Coordinate security stakeholder education.
- Organizing and promotion of employee and state agency security awareness campaigns.
- Development and organization of federal and state cyber information.
- Research regarding industry and implications on state government.
- Development of collateral materials and presentations.
- Technical support, maintenance and design, for systems and applications under Cyber.
- Other duties as assigned.

Flexible part-time schedule; Minimum of 15-20 hours/week; Start and end date negotiable. Hourly pay is dependent on relevant experience.

To learn more about ICN visit: <http://icn.iowa.gov/>

The Iowa Communications Network (ICN) is the country's premier distance learning, state government broadband carrier network, committed to providing Iowa strong broadband solutions for the education, government, and healthcare sectors of Iowa. The ICN makes it possible for Iowans, physically separated by location, to interact in an efficient, creative, and cost-effective manner. ICN provides high-speed flexible broadband Internet, data, video conferencing, and voice services to authorized users, under Code of Iowa, which includes: K-12 schools, higher education, hospitals and clinics, state and federal government, National Guard armories, and libraries.

ICN's awareness initiative is called 'Broadband Matters' which showcases the importance of delivering broadband to all corners of the State. ICN's mission with this initiative is to advocate for true high speed broadband to provide Iowans 'connections that matter.' As part of this initiative, we have launched a new website at www.broadbandmatters.com.
